If you are unavailable on your rostered day, please organise a swap with one of the other Duty Captains and advise Club Captains.				
If each person is able to organise their own swap or replacement, the burden is shared by many rather than just a few.				
Please arrive 30 mins early in order to collect the keys to the Captain's Box from the Squash Centre				
and commence setting up the day's play before the players arrive. When on roster, you are also responsible for setting up afternoon tea, with contributions of milk and some afternoon tea food or nibbles at the bar welcomed.
