If you are unavailable on your rostered day, please organise a swap with one of the other Duty Captains and advise the Club Captains.				
If each person is able to organise their own swap or replacement, the burden is shared by many rather than just a few.				
Please arrive 30 mins early (at 1.30pm) in order to collect the keys to the Captain's Box from the Squash Centre & commence setting up the days play before the players arrive.
